OVERVIEW

The Church & Technology Summit is a four-day immersive experience designed to equip pastors, ministry leaders, creatives, and technologists at the intersection of faith and innovation.

All sessions, experiences, and exhibitions take place within a single, centralized venue—creating a seamless environment for consistent attendee flow, deeper engagement, and meaningful connection.

From 8:30 AM to 5:00 PM daily, participants have uninterrupted access to exhibitors, sponsors, live demos, activations, and strategic conversations that lead to real partnerships and impactful ministry solutions.

WHY SPONSOR OR EXHIBIT AT CTS 2026

- One centralized venue
- Three aligned audiences
- High-level decision makers
- Extended daily expo hours
- Immersive, hands-on environment
- Faith-forward, future-focused innovation

Church & Technology Summit is intentionally designed to move beyond brand impressions into relationships, revenue, and results.

THE CTS DIFFERENCE

Church & Technology Summit is where faith, innovation, business, and technology converge. Sponsors and exhibitors don't just gain exposure — they gain access, influence, and alignment.

This is where conversations turn into collaborations. Where innovation meets implementation. Where brands become partners.
